

Long-Term Care Hospital (LTCH) Continuity Assessment Record and Evaluation (CARE) Data Set & LTCH CARE Data Set Manual Archive

November 21, 2019

Publication of LTCH CARE Data Set and Change Table Version 5.0

The new and modified LTCH CARE Data Set V5.0, along with an accompanying change table detailing updates from LTCH CARE Data Set V4.0, has been added to the Downloads section below. This data set contains the measures and standardized patient assessment data elements finalized in the FY 2020, IPPS/LTCH PPS Final Rule and is effective October 1, 2020 for use in the LTCH QRP.
