### News Releases

\*April 1- [Remarks by Surgeon General Vivek Murthy at Virtual Launch Event for COVID-19 Community Corps with Vice President Harris](#). “Good morning and thank you all for joining us today. My name is Dr. Vivek Murthy, and I am honored to serve as the Surgeon General of the United States. In my role, I’m charged with looking out for the health and wellbeing of every American. I consider this to be a sacred responsibility particularly in this grave moment when we are living through a once in a century pandemic.”

\*April 7- [HHS Secretary Becerra Announces More Than 500,000 Americans Have Enrolled in Marketplace Coverage During Special Enrollment Period](#). Today, U.S. Department of Health and Human Services (HHS) Secretary Xavier Becerra announced that more than half a million consumers have already signed up for health insurance through HealthCare.gov as a result of the Biden Administration’s Special Enrollment Period (SEP) for the COVID-19 Public Health Emergency. The SEP, along with the additional financial assistance afforded by the American Rescue Plan (ARP), offers the opportunity for individuals and families to take advantage of significantly reduced premiums, increased savings, and quality, affordable health coverage through the Marketplaces using the Federal Platform.

\*April 7- [HHS Secretary Xavier Becerra Announces Expansion of COVID-19 Vaccine Program to All Community Health Centers Across the Country](#). U.S. Department of Health and Human Services (HHS) Secretary Xavier Becerra today announced that all HRSA-funded health centers and Health Center Program look-alikes (LALs) will now be invited to participate in the Health Center COVID-19 Vaccine Program. These health centers will have the opportunity to join the program as soon as they are ready, increasing the total number of health centers that have been invited to 1,470 nationwide. This expansion will be made through the Health Resources and Services Administration (HRSA) and the Centers for Disease Control and Prevention (CDC).
