October 17, 2013 - Electronic Conditional Payment Letter for Beneficiaries

A new feature has been added to the Medicare Secondary Payer Recovery Portal (MSPRP). Beneficiaries are now able to generate an electronic Conditional Payment Letter (CPL) and to print or save it in .PDF format. The electronic CPL will display the current Conditional Payment Amount and associated case and claims information. For further details regarding this new feature, please refer to Chapter 1 of the MSPRP User Manual available under the Reference Material link on the Welcome page of the MSPRP. Enter the following URL to access the MSPRP, https://www.cob.cms.hhs.gov/MSPRP/login. Read and accept the Login Warning to view the MSPRP Welcome page.

August 27, 2013 - Interest Calculation Estimator Tool Updated

The *Interest Calculation Estimator Tool* found in the Downloads section of both the **Group Health Plan Recovery** and **Non Group Health Plan Recovery** pages has been updated. Please remember, the Tool is to be used for informational purposes only, and may generate an estimate that differs slightly from the actual interest accrued.
