Making the Most of Your Medicare

How to Check This Notice

Do you recognize the name of each doctor or provider? Check the dates. Did you have a visit or service that day?

Did you get the claims listed? Do they match those listed on your receipts and bills?

If you already paid the bill, did you pay the right amount? Check the maximum you may be billed. See if the claim was sent to your Medicare supplement insurance (Medigap) plan or other insurer. That plan may pay your share.

Your Messages from Medicare

Get a pneumococcal shot. You may only need it once in a lifetime. Contact your health care provider about getting this shot. You pay nothing if your health care provider accepts Medicare assignment.

To report a change of address, call Social Security at 1-800-772-1213. TTY users should call 1-800-325-0778.

Early detection is your best protection. Schedule your mammogram today, and remember that Medicare helps pay for screening mammograms.

Do you use therapy services? Watch the limit! In 2011, Medicare's annual coverage limit for most outpatient physical therapy and speech language pathology is \$1,860 combined.

How to Report Fraud

If you think a provider or business is involved in fraud, call us at 1-800-MEDICARE (1-800-633-4227).

Some examples of fraud include offers for free medical services, or billing you for Medicare services you didn't get. If we determine that your tip led to uncovering fraud, you may qualify for a reward.

You can make a difference! Last year, Medicare saved tax-payers **\$4 billion**—the largest sum ever recovered in a single year—thanks to people who reported suspicious activity to Medicare.
